The Ceremony

"Love is what happens when two hearts find their happy place, right beside each other"

The Seduction Garden

Seduction Lawn is the perfect place to hold your ceremony. Steps shouldered by standard seduction roses make the perfect entrance to lead you to the large open grass area surrounded by roses and stately trees, one of the most romantic settings in the Barossa overlooking the Barossa Ranges.

The Queens Garden

Add a splash of Royalty to your special day and step into the garden that was opened by HM Queen Elizabeth II in 2002. The Chateau is the perfect backdrop for those very special vows, stunning views surrounded by 30,000

Simply Magic Lawn

Large open area with a beautiful Gazebo, old gum trees tower above with views of adjoining vineyards and the Barossa rangers. A footstep away is the "cascade of colour" multi colour roses descending down the garden beds. A magical location to share with special family & friends.
